18. _____ write your own setting here

STEP 1

Select a setting for your cartoon character from the list above.

STEP 2

Make a new list of all of the different kinds of things you might find in your chosen setting.

STEP 3

Sketch some of the items from your list in the space above. Simplify your items and draw them in a cartoon style.

STEP 4

Obtain a blank *Single Panel Cartoon Template*.

STEP 5

Draw in your word balloon(s) as needed. Sketch your character in a single panel cartoon panel, leaving plenty of room for your background. Utilize a low horizon to help avoid perspective problems.

STEP 6

Draw the rest of your background utilizing some of the items sketched above.
