

Cartooning Sketch #1 □ □ □ □ □
Constructing a 6 page sketchbook:

Name _____

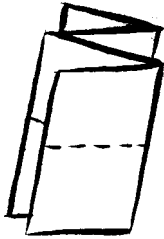

STEP 1

Fold a sheet of 18x24" drawing paper in half longways. Crease well and unfold. Fold paper in half the other direction. Crease well.

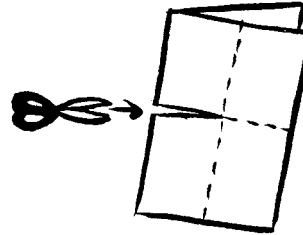

STEP 2

Fold one of the two edges that are opposite the folded side back towards the crease. Place the corners together and crease well.

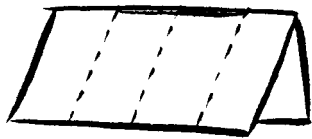

STEP 3

Fold the other edge back towards the folded side. Place the corners together and crease well.

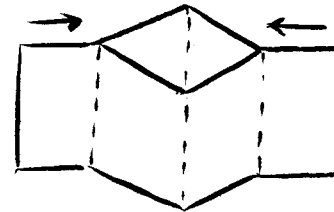

STEP 4

Unfold the last two folds. Holding the folded side in your hand cut along the folded center line until you reach the first vertical fold.

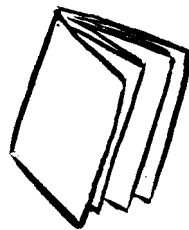

STEP 5

Open the paper and refold the paper longways.

STEP 6

Holding on to each side, gently push the ends together to form the pages of the book.

STEP 7

Fold the front and back covers around so that the corners meet. Crease well.

STEP 8

Design the front cover of your sketchbook with your favorite comic and cartoon characters. Use examples to help you with your drawings, but do not trace! Give your sketchbook a title that includes your name. Color with colored pencil.
