

Math Element Comic

- STEP 1** Select a math element to draw as a cartoon character.
- STEP 2** Place your new cartoon character in a math related situation.
- STEP 3** Create a three panel comic centered around your math element.
- STEP 4** Ink, then carefully erase your pencils. Be sure your lettering is legible.
- STEP 5** Don't forget to place the title of your strip above the first panel and your name above the last panel.
